

AF AESTHETICS

At AF Aesthetics, our mission is to help you embrace what makes you **uniquely beautiful** and celebrate what makes you **beautifully unique**.

With a focus on nonsurgical treatments for the face and body, our team of specialist doctors, nurses and professional beauty therapists deliver **transformative results** without invasive surgery and unwanted downtime.

We create a **bespoke** treatment plan that's tailored for your needs, so you can effortlessly receive the cosmetic services you need to look and **feel your best for life**.

MyEllevate[®]

Minimally invasive jawline and neck rejuvenation procedure

Utilising a continuous permanent suture, it physically elevates and contours the skin and underlying tissues to the jawline. Ideal for certain candidates who are wanting a jawline refresh without undergoing surgery, this procedure can be combined with other fat reducing and tightening treatments for optimal results.

Note: this treatment can only be performed by specialist plastic surgeons who have undertaken the required training. Please enquire within to find out more about this procedure.

Triple 19 Gold LDM

The Triple 19 Gold LDM is effective in stimulating collagen production, repairing a weak skin barrier, and promoting skin cell renewal. With its ability to target three different layers of the skin, it provides deep hydration and ensures skin is radiant and healthy.

Gold LDM Treatment \$290 (70min)

A bespoke luxury facial designed to address a wide range of skin concerns.

Gold LDM Express \$150 (30min)

An express treatment to help repair the skin's barrier pre-treatment, or to help with the recovery period post-treatment.

Facial Menu

HydraFacial

\$189 (40min)

A deep-cleansing facial, microdermabrasion and a chemical peel combined. Treatment includes a mini massage.

Best for anyone with blemishes, enlarged pores, and poor skin tone or texture.

Perfect Glow AF Facial

\$135 (60min)

Utilising a device with ultrasound technology that micro-massages skin to leave it radiant and glowing. Treatment includes face, neck and décolletage massage and LED therapy.

Best for anyone with skin in need of hydration and rejuvenation.

iS Clinical Fire and Ice Facial \$180 (30min)

The 'Hollywood' facial that uses a mild peel to soften the skin's texture and renew the skin with no downtime.

Best for anyone with fine lines and wrinkles, or wanting instant smooth and soft skin.

BABOR Repair Cellular Facial \$190 (60min)

A luxuriously hydrating and intensely regenerating facial that includes a Doctor Babor Lifting Cellular Silver Foil Mask and a face, neck and décolletage massage.

Best for anyone with strained and stressed skin wanting a luxurious experience.

Lhala Peel

\$200 (60min)

A chemical exfoliation treatment to brighten photodamaged and discoloured skin.

Best for anyone with less sensitive skin, who want to manage certain types of unwanted pigmentation.
